

a content display system associated with the display device, the content display system including means for receiving a set of content data and a set of instructions for enabling a display device to selectively display, in an unobtrusive manner that does not distract a user of the apparatus from a primary interaction with the apparatus, an image or images generated from a set of content data, the content display system further including means for using the display device to selectively display the image or images using the set of instructions;

a content providing system including means for providing a set of content data to the content display system;

*A1  
Concl.*  
means for providing to the content display system a set of instructions for enabling a display device to selectively display an image or images generated from a set of content data;

first communication means for enabling communication between the means for providing and the content display system; and

second communication means for enabling communication between the content providing system and the content display system.

*A2*  
~~66. (Amended) A computer readable medium encoded with one or more computer programs for enabling a content display system to selectively display on a display device, in an unobtrusive~~

manner that does not distract a [person] user from a primary interaction with an apparatus associated with the display device, an image generated from a set of content data that is not integrated with the one or more computer programs, comprising:

operating instructions for beginning, managing and terminating the selective display of the image on the display device;

content display system scheduling instructions for scheduling the display of the image on the display device; and

installation instructions for installing the operating instructions and content display system scheduling instructions on a content display system.

#### IN THE ABSTRACT

Line 31, delete "users" and substitute --people--.

#### REMARKS

##### Objection to the Declaration

The Examiner stated that the declaration is defective because:

The oath was altered after 5/9/96 by David P. Reed. MPEP 608.01 states "The wording of an oath or declaration cannot be amended altered or changed in any manner after it has been signed. If the wording is not correct or if all of the required affirmations have not been made, or if it has not been properly subscribed to, a new oath or declaration must be required. However, in some cases, a deficiency in the oath or declaration can be corrected by a supplemental paper and a new oath or declaration is not necessary.
